FUN TIMES IN THE GYM

September 2024

COMPET CORNER

Welcome to a New Year! From the looks of things it is going to be a very busy one! Our compet team took a small break over the holidays after celebrating with a fun Christmas party in December.

The Coaches turned the floor in the compet gym into a huge game of floor is lava, complete with challenges and puzzles to solve. Followed by a fun secret santa gift exchange. Now we are back and they are working extra hard to prepare for their first competition. They will be attending Gymnastics Rocks the Rockies hosted by Pegasus Gymnastics Club in Calgary towards the end of the month. This is a big 4 day meet which will be good preparation for some of them as they are heading to Florida to compete in February with thousands of competitors! This compet season is going to run all the way till June this year with a total of 10 different events for the compet team. When you have a chance wish them luck for the upcoming competitions.
